INFORMATION DISCLOSURE STATEMENT

Pursuant to 37 C.F.R. § 1.97 or § 1.98, Applicant in the above-identified application submits this Information Disclosure Statement together with the enclosed form PTO-1449 in order to bring to the Examiner's attention references of which Applicant is aware and which may have some bearing on the examination of this case. A copy of each of the identified prior art items is submitted herewith.

This Information Disclosure Statement is not to be construed as a representation that a search has been conducted by Applicant or that no other material information exists. See 37 C.F.R. § 1.97(b). Furthermore, statements describing a particular reference indicate only Applicant's understanding of the teachings of that reference, and are not a representation that the reference has been reviewed completely or that no other pertinent or material information is contained in that reference.

Applicant's submittal of these references or discussion thereof in this IDS or the Background of the specification is not to be construed as an admission that these references are prior art or material to the patentability of any pending claim.

As this submittal of references is occurring before the first Office Action, no fee is required.

Please direct any questions or comments regarding this application or Information Disclosure Statement to John F. Klos (612) 399-1820.

Respectfully submitted,
Clark E. Johnson, Jr.; Richard J. Solomon;
Tice F. DeYoung; and David J. Farber, by their
